Dear Representative Marshall:

I am sole proprietor of the above company. I am also Co-Chair of the Pennsylvania OnLine Messenger Association. In both of those capacities I want to thank you for sponsoring HB 2433. It shows your understanding of how desperately the citizens of Pennsylvania need our motor vehicle services. I was also very impressed with you when we met regarding your support for the bill that would return the sticker to the plate in Pennsylvania. You were one of the few that I felt really listened and gave it some real thought.

Thank you again for the above and thank you for your support of small businesses.

Best Regards
